

at Christmas time when the pocket-books are, there were 8 boys and 6 girls quite a family!

Mike has not got back yet from his Christmas the 7th.

Mrs Schendel fell and hurt her back - guess she got quite a bump. I relined Helen's coat yesterday and fixed your green dress so she can wear it.

Am sewing most of the time and think there is need of it by the looks of things.

Well I must fix fires and go to bed it is 9:30 and the lights must go out. (?)

Suppose you get a letter from Aunt Jennie every few days, so guess I will not write so often as she tells all the news and you won't miss them.

Lovingly mother.
